

## Harvey & Carol Spears Campus Crusade for Christ

May 2009

### Prayer Requests

- Pray that God would give Harvey wisdom as he continues to work on the remote accounting project.
- Pray for us as we lead the two teams in Marseille
- Pray that God would open the hearts of those whom we will give literature to.
- Pray that our family and the team members would be healthy all summer

Carol and I hope you are doing well. We're getting ready to leave next week for France! We are all so excited to participate in such a meaningful project, distributing evangelistic materials to North African Muslims.

Every year during the summer months, the port cities of Spain, France, and Italy are flooded with North Africans traveling to visit family in their homelands. All across southern Europe, Muslims "queue up" by the millions to board waiting ferries, and return to their nations from temporary jobs or school. They sit and wait, often with absolutely nothing to do. Over past summers, hundreds of Christians have gathered at these ports to give away Bibles, *JESUS* videos and *JESUS* audiotapes.

Thank you so much for your prayers for this trip. As we wrote on the envelope of our last prayer letter, God has provided all the people we need to make the trip possible! The people coming on the trip are from all over the US and even one person from France. We have a couple of moms with their teenagers, several college students, couples and singles and even one baby!

Carol has been coaching and encouraging the team members while they raise the funds for the trip. They have been excited to see how God has provided for them. One particular mom from Arkansas is raising funds for both her and her daughter to go. She has this to say about God's provision: "He is good! I have learned so much! The phone calls weren't so bad once I got started and God has been faithful."

It is exciting for us to see God working in this team even before we leave! As a family we have been memorizing Colossians 3:12-17. The children are looking forward to using their French and the opportunity to trust God in new situations. Carol is very thankful that she was able to get all of the administration done for the trip two weeks early, quite a feat only working two days a week. Thankfully we are staying in places with small kitchens so Carol can cook for our allergy free diets.

We'll be gone June 5-July 4 to France and then we will be in Colorado for a Crusade staff conference. We desperately need your prayers. Thank you for your partnership in ministry with us to reach the lost around the world for Christ. We appreciate you.
